PORTLAND MARKETS

No Change in Market Quotations on Staple Products.

Eggs Are Reported Firmer in Price and a Scarcity is Threatened for Easter Unless New Shipments Are Received Scon.

The markets show no change over previous quotations. Butter continues weak on account of the large surplus on hand and the increase in Jaily ship ments. The egg market shows a firmer tone and prices are expected to advance within a few days unless a larger supply is received to meet the demand for Easter.
